

**PHMS03**  
**Kanaflex 180 HR**

Heavy duty suction applications where high temperatures and abrasion are factors with vacuum trucks when handling fly ash, crushed rock, sand, cement powder, gravel, etc.

Lightweight and flexible, integral wire can be grounded for static dissipation, external helix provides easy drag.

- Tube:** Black, smooth EPDM rubber
- Cover:** Black, corrugated EPDM rubber with Polyethylene helix
- Reinforcement:** Steel helix wire
- Temperature:** -40°C to +104°C
- Branding:**

Size	ID mm	OD mm	WP psi	Bend mm	Vacuum %	Weight Kg/mtr
